**MIDWEST** Preliminary majority prices for next week's trade into the Chicago area were unchanged from Monday's final. Whole broiler/fryer market tone was steady to barely steady, occasionally weak. Offerings were mixed, but fully sufficient for the inactive trade interest. Movement was improved over prior trade period into retail channels. Food service demand was mixed, but mostly slow to light. Boneless/skinless breasts and wings were noted as seeing fairly good movement into retail and restaurant outlets. Floor stocks were in a full range, mostly in balance; weights desirable. Parts trade was light to moderate. Supplies of all parts were available with dark meat cuts ample. The market tone was about steady on regular wings, whole and boneless/skinless breasts; and barely steady to weak on the balance.
